Colonel F. B. Mills
Assistant Commandant,
U. S. Army Special Warfare School
Fort Bragg, North Carolina

Dear Colonel Mills,

I want to express again my appreciation of the outstanding course in counter-insurgency conducted by the Special Warfare School. I would also like to repeat my pleasure at having the opportunity to work with such stimulating and dedicated people as your instructors in the School.

I am looking forward to our working together in training matters and will be in touch with you in the near future with some more concrete ideas in this regard.

Sincerely yours,

William A. Tidwell
Colonel, USAR
Commanding Officer
